

Thos. W. Hall Is Transferred To Revelstoke

POPULAR DIRECTOR BECOMES INSPECTOR OF REVELSTOKE AREA

Thomas W. Hall, director of education in the Matsqui-Sumas-Abbotsford Educational Area for the past two years, has been appointed by the Provincial Department of Education to the Inspectorate of Revelstoke. He assumes his duties next month.

Mr. Hall will be succeeded here by A. S. Towell, who has held a similar position as director of education in the Peace River Area.

The change follows a series of promotions and transfers announced by the Department of Education subsequent to the retirement of Inspector A. E. Miller at Revelstoke on attaining the age of superannuation. J. F. K. English, formerly at Chilliwack, who has been principal of the Kamloops high school, has been appointed as director in the Peace River Area. He will be succeeded at Kamloops by W. Guernsey, at one time a student in the former Matsqui high school prior to consolidation of educational facilities in this area.

Mr. Towell is a former principal of the Kelowna and Nanaimo high schools and was also supervisor of schools at Nanaimo prior to his appointment as director at Peace River. He is also a qualified accountant with banking experience, it is understood. He is due here on August 31 and Mr. Hall will remain as long as necessary to familiarize the new director with the duties here.

Word of Mr. Hall's impending departure became official Friday and general regret is expressed. He assumed the post here in August, 1937, and has been constantly active on behalf of the Area with the exception of a short period of absence on sick leave last year, during which he was relieved by Inspector McArthur of Kamloops.

POSSESSED STILL

A recent jaunt into the Lillooet district by Constable J. W. B. Watson of Abbotsford detachment of the R.C.M.P., resulted in the conviction of Edward Buss of Pemberton on a charge of possessing a still. The illicit liquor factory was a good-sized outfit and as it was the accused's second offense he drew a fine of \$500 plus six months in jail with an additional six months confinement for failure to pay the fine.

HIGHWAY TRAIN OF CARNIVAL COMPANY ROUTED THIS WAY

About 80 trucks, cars and trailers together with some 270 persons comprising the equipment and personnel of a large carnival company cleared through Huntingdon Customs Port and passed through Abbotsford en route to Vancouver Exhibition during Monday morning and forenoon. Some of the huge, gaudily painted trucks attracted a good deal of attention. After passing Immigration and Customs inspection at Huntingdon the highway train was conveyed by several Customs officers from Vancouver. Many of the heavier loads travelled by the south or Trans-Canada highway to the Coast and many guesses were hazarded locally as to the toll that would be collected at the Pattullo bridge.

HALF-DOZEN TRUCK OPERATORS FINED IN SUMAS POLICE COURT

Four truck operators hailing from Yarrow appeared in Sumas municipal police court Thursday charged under Sec. 24 of the Highway Act, operating contrary to the commercial licenses on their vehicles, and each was assessed a fine of \$10 along with \$2.50 costs, by Magistrate J. W. Winson. Fines were paid and municipal licenses also taken out by each of the accused, Jacob A. Dyck, David H. Epp, Herbert Martens and John H. Martens. In the case of Jake Derksen also of Yarrow, charged under the Municipal Trades License Bylaw, a fine of \$1 and \$2.50 costs was imposed and Derksen acquired \$20 worth of licenses for his two trucks. Max Murin of Vancouver, similarly charged and fined, took out one \$10 license.

GARBAGE BYLAW

Details of the new bylaw governing removal of garbage and rubbish in Abbotsford are published in this issue by the Board of Commissioners.

STREAMLINED FARMING IN MATSQUI

Modern combines, as time- and labor-savers in harvesting, made their appearance in Matsqui and Sumas this month. First of the new machines to go into operation was a Massey-Harris Model No. 15 Combine purchased by W. S. Hill-Tout, Trans-Canada highway west. This machine is seen in operation in the above snap taken on the pioneer Hill-Tout farm in Matsqui. Mr. Hill-Tout himself is at the helm of the model No. 101 Twin Power Massey-Harris tractor purchased a year ago. The streamlined tractor is an 18-30 H.P. model but with the twin-power device can be stepped up to 36 H.P. on the belt. The combine has a 6-foot cutting edge (it is also built in 8- and 10-foot sizes) and not only cuts and threshes the grain but separates weed seeds with a re-cleaning device. The grain pours into sacks from either of two spouts on the high platform where one man is kept busy sewing and replacing filled sacks. Weed seed is also sacked under a separate spout. Mr. Hill-Tout speaks highly of his new equipment as also does S. Hiemstra who purchased a clipper or "straight through" model Massey-Harris combine which he is operating on Sumas Prairie. Two men comprise the harvesting crew: Tractor operator and one man on the combine.

New Tennis Courts Selected For Fraser Valley Tournament

Announcement is made that the new Matsqui courts of the Central Fraser Valley Tennis Club have been selected for the staging of the 1939 Fraser Valley Tennis Championships. The tourney will be staged at the Labor Day weekend and will occupy at least two days. There will be classes for both senior and junior players and several handsome silver trophies are at stake for the various divisions.

Admiration of B.C. tennis officials and leading provincial players was freely expressed at the opening on Wednesday afternoon of the four new Matsqui courts of the C.F.V. Club. Located on the old Yale road, within sight of the Trans-Canada highway, half a mile west of Abbotsford, the opening ceremonies and exhibition games attracted officials and players from Vancouver and Fraser Valley clubs as well as district players and interested citizens.

B.C. SECRETARY OFFICIATES

In the absence of Reeve George Cruickshank of Matsqui, who was being nominated as Federal candidate at the Liberal Convention in Mission that afternoon, the opening ceremonies were performed by Harry Monk of Vancouver, secretary of the B.C. Tennis Association.

Mr. Monk praised the new courts, erected through co-operation of Matsqui and Sumas municipalities and Abbotsford citizens, declaring formation of clubs similar to the C.F.V.T.C. would contribute materially in development of players to represent the province. A. W. Webb, president of the Abbotsford & District Athletic Association, also spoke briefly.

COAST STARS PLAY

Exhibition games by six Vancouver players inaugurated play on the courts. Singles, doubles and mixed doubles were played to an appreciative audience by Jean Milne, B.C. champion; Eleanor Young, Mary Haggart, Vess O'Shea, Jack Brawn and Russ Hawes. Matches were also played during the late afternoon and evening by players from Langley, Mission and other valley clubs.

BEST IN B.C.

With dimensions of 240 by 110 feet, the four new courts have a rolled and sanded asphalt surface laid over a carefully prepared rock base foundation. The courts are all of standard size with regulation equipment. They (Continued on Page Eight)

EDUCATION OFFICE SAFE IS "STOLEN"

A telegram to the effect that the safe at the Education Office in Abbotsford had been stolen, and that information was available at the home of Mr. and Mrs. E. A. Barrett formed a novel invitation to Mrs. D. S. Barlow (nee Florence Robertson) to attend an event in her honor Tuesday evening. The "stolen" safe was found in the Barrett home but proved a dummy complete with combination designed by Vernon Amos, and filled with shower gifts.

Liberals Name Reeve Cruickshank Of Matsqui As Fraser Valley Candidate

"CALLING ALL LOST COWS TO IDENTIFY THEIR OWNERS"

Many and varied are the duties of B.C. Police officers—often with but the vaguest of clues they accomplish the seemingly impossible, but Constable Jack Blezard of the Sumas detachment is still puzzling over a recent request. It seems that a Sumas resident complained of the loss of a cow. Const. Blezard asked if the owner could identify the animal if he saw it. The reply was to the effect that the owner could not identify the cow, but he was sure the cow could identify him if it saw him.

Poppyheads Land Settlers In Police Net

ACCUSED CLAIM OLD COUNTRY CUSTOM TO GROW FOR SEED ONLY

Fate of three well-known Hungarian settlers in Matsqui charged by R.C.M.P. with possession of portions of the opium poppy contrary to the Opium & Narcotic Drug Act, rests with Attorney-General Gordon Wismer at Victoria. The accused, William and Mike Gaspar, and John Siska, appeared before Justices of the Peace Eric T. Weir and E. S. Plaxton on Saturday evening. They pleaded guilty and were remanded on their own recognizance until Friday at 11:30 a.m. while the court submitted the defense of the poppy growers to the Attorney-General for consideration. The charges were preferred by Corpl. C. J. Young, who with Constable J. W. B. Watson, testified they discovered poppy plots and harvesting operations on the farms of each of the accused and exhibited several sacks of poppy heads they had seized.

Defense in each case was that the accused were not aware that it was illegal to grow poppies although admitting hearing that it was against the law to sell. Following age-old customs of Hungary and Germany they grew the poppies only for the seed which they used in baking cakes, etc., they contended. Such seed cakes were a popular food in their native land and they had been in the habit of growing the poppies for this purpose both in B.C., Manitoba and elsewhere since coming to North America.

The police officers described their discovery of the plots pointing out that John Siska was growing his poppies in a poor location hidden in woods nearly a mile back of his home. That Siska had first denied possession of the poppy heads but finally revealed several sacks of them hidden under clothing and sacking in a cabbage patch. Const. Watson reminded Siska he had warned him last spring when seeking information on a Hindu travelling the district allegedly to induce parties to grow poppies. Siska has a family of nine.

Similar defense was advanced by the Gaspars, William Gaspar readily admitting growing the poppies, a fact known, he pointed out, to some 50 of his berry pickers this season in denying that screening of his plot from view from the road was done to conceal the plants. Upwards of 50 pounds of seed per family was required, he observed. The heads were not kept for sale but later burned. Police observed the law has no fight with the seed but rules against growing or possessing the plant. The heads are used in producing a narcotic.

Mike Gaspar also pleaded guilty, evidence showed he had two plots allegedly screened from the roadside by a stand of corn and by brush on other three sides. He had 29 sacks of heads. Though a bachelor, he was a good cook and grew the poppies only for seed, he said.

The court commented on the seriousness of the charges, offering accused opportunity to retain counsel which the latter apparently thought unnecessary in view of their willingness to admit growing the poppies though for seed for their own use, and remanded the case until Friday.

Reeve George Cruickshank of Matsqui was nominated on the first ballot to carry the Liberal standard in the Fraser Valley at the forthcoming Federal election, it was announced at the nominating convention held in Mission last Wednesday afternoon. Reeve Cruickshank received 27 more votes than the combined total cast for the three other contestants, J. F. Semple of Chilliwack, Liberal candidate in the last election; Fred Menzies, also of Chilliwack, and H. L. Woods of Hope. They made the nomination of Mr. Cruickshank unanimous when the result was announced.

LIBERAL CANDIDATE

GEORGE CRUICKSHANK

reeve of Matsqui, chosen Liberal standard-bearer for Fraser Valley Federal Riding. He was elected over three other nominees on the first ballot.

Fair Board Meeting This Thursday Night

ACCOMMODATION, REPAIRS, MEMBERSHIP AMONG TOPICS TO BE DISCUSSED

One of the final board meetings before the annual fair on Sept. 12 and 13 will be held by Central Fraser Valley Fairs Association in the Men's Club, Abbotsford, at 8 p.m. Thursday. Several important problems will be tackled it is understood. Accommodation for the increased live stock entries which more prize money and the new C.T.A. class are anticipated to attract, is one of these matters. Preparation of the grounds, repair of damage to buildings which fair officials blame on juvenile vandals, are others. Another subject of great interest will be the discussion of the increase in membership fees for 1940 which will be reopened this Thursday night.

A modest publicity budget is being utilized to arouse increased interest in the annual fair, both within and without the area. Illustrated posters, window cards and car bumper cards have been printed and distributed for this purpose. Committee members report good results.

Additional judges who have accepted invitations to officiate at the fair include George Shannon of Cloverdale who will place the horses; G. L. Landon, district agriculturist of Grand Forks, who will be assisted by W. N. Crankshaw of Atcheltz in judging field crops and vegetables; and Fenwick Fatkin, well-known Bradner horticulturist, who will judge flowers. The B.C. Electric Ry. Co. has consented to allow two members of its Home Service staff to judge cooking.

HALF OF HIGH SCHOOL STAFF HAS RESIGNED

Almost half of the staff of Philip Sheffield high school, Abbotsford, has resigned to accept more lucrative positions in other parts of the province. Latest resignation received by the director of education for the M.S.A. Area is that of J. Alan Spragge, science teacher on the P.S.H.S. staff for but one year. In each case, as well as the several resignations from the staff of public schools, other centres have invited the teachers from the M.S.A. Area with salary increases ranging from 25 to 50 per cent above the scale paid in this district. Due to this about one-fifth of the staff of 52 required when school reopens next month, will be new teachers.

INJURED FOOT

George Gagne is a patient in M.S.A. Hospital with a broken instep as a result of being struck by a falling tie at a Stratton mill.

There were 330 delegates in attendance and a large attendance at the convention and a large attendance of prominent Liberals from all parts of the riding extending from Lytton to Pitt Meadows. While Reeve Cruickshank as president of the Federal Central Executive Committee, opened the convention, he vacated the chair upon nomination and R. C. Cox of Mission presided. The spacious Canadian Legion hall was the venue.

Alan Cameron, president of Dewdney Riding Liberal Association, nominated Reeve Cruickshank with a stirring appeal and was ably seconded by Mrs. Hannah Fraser, Abbotsford pioneer. Each candidate was allowed 10 minutes in which to address the large assembly.

APPEAL FOR FARMERS

Reeve Cruickshank, in his speech, said that the farmers of the Fraser Valley could not continue to operate at the present price of farm produce while taxation steadily mounted until now it was practically confiscation. He said that land could not continue to carry charges such as relief and education which must become a charge of the State as a whole. That young, willing men could not secure work was a condition that must not be allowed to continue, and surely it was possible by determined, aggressive effort to find work for any willing man, and by lifting the burden of taxation from the land to save the pioneers' farms that are rapidly going to tax sale.

In thanking the delegates for their endorsement, he asked for their united support in order that the Fraser Valley riding might be made a more prosperous place in which to live by working for legislation that will give the farmer a sense of security that he does not have at the present.

The convention was addressed by J. Sinclair of North Vancouver, D. W. Strachan, M.L.A., Dewdney and E. D. Barrow, Chilliwack. Credentials committee appointed comprised A. W. Dickinson of Chilliwack, J. Campbell, Mission; J. Riddell, Agassiz; W. P. Lilly, Harrison Bay; O. W. Benedict, Abbotsford.

CONSCRIPTION OF WEALTH

Resolutions committee did not burden the convention. It consisted of Capt. H. L. Chittenden of Bradner, F. K. Grimmet, Chilliwack; D. Stalker, Hammond; Jones of Deroche, and submitted resolutions to the convention placing the convention on record expressing continued confidence in the Federal and Provincial leaders, Rt. Hon. W. L. Mackenzie King and Hon. T. D. Pattullo.

Also receiving the endorsement of the convention was a resolution favoring conscription of the wealth of the nation in finances, material and man power as a national emergency in the event of Canada becoming involved in hostilities.

HOUSE DESTROYED

A mysterious fire that broke out in a vacant house at 668 River road, Lulu Island, Sunday afternoon, destroyed the small one-storey dwelling before volunteer fire-fighters could reach the scene. Following early investigation, officials said they believed itinerant berry pickers had accidentally started the blaze. Value of the house, which was owned by R. A. Baynes of Matsqui, was not determined.

RODEO DRAWS CROWDS

Much of the heavy traffic experienced at Huntingdon-Sumas Customs port on Sunday is credited to the attraction for Canadians of the final day of the three-night rodeo staged in Sumas at the weekend. More than 1,000 cars and some 50 bicycles were handled during the day, there being a matinee as well as night show on Sunday. That many cars were parked on the Canadian side and the occupants footed it to the stampede grounds is evidenced by the fact that over 3,000 persons were passed by the Immigration staff.

Banks and Farming

The farm and the farmer are being accorded their proper place by the Imperial Government in its present plans for the adequate protection of the country and its people against the possible acts or intention of aggressor nations. Sir Regional Dorman-Smith, British Minister of Agriculture, in announcing the proposed bonus or subsidy to owners and farmers, for increasing the return from agricultural lands by the plowing-up of grassland, stated:

"The Government considers that the best preparation for an emergency is to bring the land into a state of greater fertility." Sir George Stapleton, commenting upon this, remarked: "The recognition of the extreme fertility as the basal necessity in a food emergency is of the highest possible significance. Fertility is the thing both in prolonged peace and in prolonged international tension—it is not only for the farmer however, to take a long view, it is for the landowner and the banks to take longer views still. The urgent agricultural need of the nation is a great get-together between the landowners, the farmers and the banks. Many farmers will be unable to create greater or even emergency fertility to the best advantage without increased facilities. To this end the landowners and indirectly the banks must lend their powerful aid."

Sir George Stapleton went on to state that the representative of a New South Wales bank was in England studying methods in farming and in land improvement in order to be able to advise his bank upon methods most worthy of financial backing. He intimated that this was an example English banks might well follow, adding: "Do not our banks and landowners realize that times are changing and changing very fast?" His opinion is that the plowing up grassland subsidy policy is going to make agricultural history in England. Much remains to be done in order to enable this to be accomplished and "it is for the banks to give the lead".

The Price Of Freedom

"If war comes," former Prime Minister Stanley Baldwin of Great Britain asserted in a speech delivered in New York, "it will find us a people united as we have never been before; powerful in material resources, and believing in our hearts that on the issue depends ultimately the freedom of mankind."

Declaring that "I speak for no one but myself," Baldwin said "a democrat should work for and be prepared to die for his democratic ideals, as the Nazis and Communists are for theirs."

As to the "perils facing democracy", he said they were "real; they are knocking at our door".

"In a totalitarian state the citizen has only to do as he is told; he has not to think, to make a choice. No direct responsibility rests on him. The machine is effective so long as he obeys. The success of Democracy depends upon every one realizing his or her responsibility to it; thinking of his duties and forgetting for a time his rights."

B. C. Japanese Question

(The Vancouver Sun)

Col. Drew, head of the Conservative organization of Ontario, is proposing that because of developments in Asia the Japanese resident in Canada should be expelled from this country. In point of sober fact, it may be necessary shortly to do the thing that Col. Drew suggests . . . there is sound sense in Col. Drew's belated idea. We tolerate the Japanese in this province because, from previous international commitments, we could not prevent their coming to this coast. But the reasons for our toleration have all but disappeared from the picture.

In the main, the Japanese have been decent, orderly people, as they have lived amongst us. But they are not assimilable here, they do not properly belong in this country and it may well be that the present juncture would afford a well chosen time and opportunity to carry out the policy advocated by Col. Drew.

The Japanese nation has left unturned few stones by way of forfeit of the friendship of Canada and the Canadian people; and British Columbia would have little difficulty in readjusting her social and industrial fabric if all the Japanese in this country took ship back to their native land.

Big Gain In Livestock At Exhibition

515 ENTRIES IN
CATTLE CLASS; LARGE
SWINE, SHEEP CLASSES

With an increase of more than 25 per cent over 1938, livestock entries for the 1939 Canada Exhibition, opening at Vancouver on Monday, will reach an all-time high, states S. C. McLennan, general manager, in summing up returns today.

Entries received to date from all classes total 1685 against 1306 last year.

"Although the Canada Pacific Exhibition has long been a leading Western fair in point of livestock entries, this year, for the first time, our entries will embrace

S. C. McLENNAN

the whole of Western Canada and the Pacific Northwest States," he declared. Entries have been received from Manitoba, Saskatchewan, Alberta, British Columbia, Washington and Oregon.

In the cattle section, a total of 515 entries registers a notable increase over past years. With the inclusion of Bang's test of contagious abortion in requirements this year, the Vancouver Exhibition becomes the only fair West of Toronto protected from all bovine diseases. The dairy cattle exhibit will be as safe and clean as veterinary science can make it. Splendid entries are reported in the Jersey, Holstein, Ayrshire, and Guernsey groups, where a 10 per cent increase in prize money over last year has proven attractive to exhibitors.

The B.C. swine breeders will be in with one of the biggest shows in their history, Mr. McLennan. (Continued on Page Seven)

It's As Simple As "Two and Two"

• TO SUCCEED, industry must have adequate markets for its products. Foreign trade is a matter of foreign competition and demand, and is largely out of our hands as individual citizens of British Columbia. A steadily growing domestic market is no less important, and this is our personal individual concern.

• WHEN YOU specify "Made in B.C. Products" every time you are about to make a purchase you are helping British Columbia Industry to buy more from those engaged in producing raw materials and to provide more work for British Columbians. When, by example, you encourage your fellow citizens to do likewise...you are rendering inestimable service to yourself, your neighbour and your Province.

P.T.A. Holds Flower Show For Jubilee School Pupils

The annual Flower Show of the Jubilee P.T.A. for the children of Jubilee was held in Jubilee school house on Saturday, Aug. 12, and the following prizes were awarded:

Gardens—1st, Leo Patterson; 2nd, Lyle Stewart and Peter Konrad; 3rd, Edna May Preece.

Prize for best design (donated by Mrs. Carr)—Oscar Konrad.

Gladioli—1, Lyle Stewart; 2, Edna May Preece; 3, Wilbur Rousseau and Wesley Croaker.

Nasturiums—1, Leo Patterson; 2, Edna May Preece; 3, Oscar Konrad.

Star of Veldt—1, Marvin Orrock; 2, Lyle Stewart; 3, Peter Konrad.

Sweet Peas—1 Edna May Preece; 2, Peter Konrad; 3, Leo Patterson.

Shirley Poppies—1, Oscar Konrad; 2, Lyle Stewart; 3, Peter Konrad.

Gladioli from other years—1, Oscar Konrad; 2, Lyle Stewart; 3, Leo Patterson.

Wild Flowers—1, Violet Croaker; 2, Doreen Preece; 3, Blanche Preece; consolation, Daisy Satchell and Violet Satchell.

VEGETABLES

Best Collection—1, Leo Patterson; 2, Lyle Stewart. Beets—1, Lyle Stewart; 2, Violet Croaker; 3, Wesley Croaker. Corn—Wesley

Croaker. Mangels—Wesley Croaker. Turnips—Violet Croaker, Wesley Croaker. Broad Beans—Lyle Stewart. Peas—Wilbur Rousseau. Lyle Stewart. Potatoes—Wilbur Rousseau, Lyle Stewart. Carrots—Lyle Stewart. Onions—Lyle Stewart, Wilbur Rousseau. Beans—Lyle Stewart. Lettuce—Wilbur Rousseau. Cabbage—Oscar Konrad. Tomatoes and Cucumbers—Lyle Stewart.

The ladies of the P.T.A. served tea and ice cream and a social time was enjoyed. Mr. F. Fatkin, well-known Bradner florist, officiated as judge of the show.

Light Rates
Lower Than
In Whatcom

Substantial electric rate reductions said to affect at least 75% of the customers in Whatcom County were recently announced by Puget Sound Power & Light Company in what has been termed the "largest single electric rate reduction in the history of the State of Washington."

The reduction across the border affects the two lowest brackets of the rate structure and primarily benefits the smaller users of electricity. It becomes effective Sept. 1.

According to the announcement in THE SUMAS (Wn.) NEWS, rate reductions affecting the neighboring territory are as follows: "First block of forty kilowatt hours of residential rates is reduced from 5 to 4½ cents, and the next 100 kilowatt hours is reduced from 3 to 2½ cents. Additional blocks remain unchanged to a minimum of 1 cent per kilowatt hour for all over 240 kilowatts."

A brief comparison by The A. S. & M. News reveals that Fraser Valley residents apparently have

Preparatory to competing with teams from all parts of B.C. in the junior stock judging contests at the Vancouver Exhibition next week, the C.F.V. Fair junior judging teams are receiving more intensive training as the big event draws near.

Yesterday the M.S.A. boys attended a practice stock judging field day held at Agassiz Experimental Farm and last Friday they attended a similar event at Colony Farm. They also have been judging stock at farms in the district. On Thursday the cattle judging team was taken to G. A. Pauli & Sons' Matsqui farm where they judged several classes of prize Holstein cattle. This team comprises John Hunt, Bob Masen and Hugh Hunt. Ralph Gram, secretary of the C.F.V. Fair, was in charge of the party.

When the boys visited Colony Farm on Monday they met junior judges from Langley, Ladner and Richmond and gained pointers on judging swine, dairy cattle and potatoes. A. W. Webb of "Slim's Tire Service" loaned a car which was driven by Harry Conway, Sr., and the party was conducted by Dan. Hunt, president of the C.F.V. Fair.

Superintendent P. H. Moore placed the farm's potatoes, fine Yorkshire swine and Holstein-Friesian herd at their disposal.

Potato judges were in charge of

Ray Green, Poplar; Sid Grey, Langley, and William Montgomery, Ladner, with H. S. McLeod, Dominion potato inspector, lecturing.

Swine judges were in charge of Cliff Freeman, Ladner; Dan Hunt, Abbotsford, and Dan Heelas, cow-tester of Richmond, with R. G. Sutton, district agriculturist, and G. L. Landon, district agriculturist at Grand Forks, instructing.

All sections had dairy cattle judges, and the classes were in charge of R. G. Sutton, with F. C. Mann of Langley assisting.

The junior livestock competitions at Vancouver Exhibition have proved a big incentive to the 56 junior cattle, swine, and poultry clubs in British Columbia, according to R. G. Sutton.

During Vancouver Fair week, Monday and Thursday will be set aside as junior days. Monday, from 6 to 7 young people will enter the stock judging contest. Thursday the calf clubs will be judged and the showmanship contests conducted. Junior poultry judging will be held Saturday.

LETTER FROM
ENGLAND IN
THREE DAYS

Mrs. Geo. F. West of Abbotsford recently received a letter via Trans-Atlantic and Canadian Airways which made the ocean-and-dominion-wide journey in three days.

PREPARE PASTURE
NOW FOR THE FALL

Here is a suggestion from the Forage Division, Dominion Experimental Farms, about providing good pasture in the fall. Fall rye, sown at the rate of two bushels to the acre from August 10 to September 10, depending on district and season, will usually supply good feeding for cattle until well on towards winter. Early plowing helps in preparing the seed bed, and once rye has made a firm start, cattle may be turned into the fields, but not sheep because they nibble too closely. If not pastured too closely, the rye will winter well and there will be early pasture next spring lasting till the end of June. Then it may be plowed under and the plants make excellent green manure.

STRONG BEE COLONIES
REQUIRED FOR WINTER

To ensure strong colonies of young bees for the winter, C. B. Gooderham, Dominion apiarist, gives the following advice to M. S.A. beekeepers: Replace all old or unproductive queens during the latter part of the clover flow, and remember that during the fall the first preparations must be made for next year. Every colony should be supplied with (1) a prolific queen in time to produce enough bees for winter; (2) sufficient room for maximum brood production; (3) plenty of stores to feed the oncoming brood, and (4) adequate protection from the cold winds.

SEED TESTING

In seed testing, June is usually considered to be one of the quietest months of the year. Nevertheless, 4,787 tests in all were made during this past June, including 527 tests on binder twine, by the laboratories of the Plant Products Division, Dominion Department of Agriculture.

an edge on their American neighbors in light rates at least. Even with the reductions to take place next month, power users in the Valley hold the advantage. While Whatcom County residents are to get their first 40 kilowatt hours at 4½¢, in the Fraser Valley the present rate is 5¢ for the first 30. The neighbors will get their next 100 reduced from 3¢ to 2½¢ but the Valley rate for the next 200 is 2¢ and all over 230 KWH is now at the 1¢ rate.

On this basis 240 KWH now costs Fraser Valley farmers \$5.60 and at the reduced rates to come into effect Sept. 1, Whatcom County farmers will pay \$6.80.

Look for the Rooster

When you visit Canada Pacific Exhibition in Vancouver August 28-September 4 be sure to see the B. C. Electric Farm Power Show, near the main buildings "under the red rooster."

Displays of portable electric milkers, incubators, brooders, irrigation equipment, dairy refrigerators and water heaters will be shown. There will be a special farm wiring display also.

Our Agricultural Representatives will be pleased to answer any questions.

BRITISH COLUMBIA ELECTRIC RAILWAY CO. LTD.

CANADIAN PLOWMEN TO
COMPETE IN ENGLAND;
ENGLISHMEN HERE

A further incentive to prowess with the plough will be given at the 1939 International Ploughing Match and Farm Machinery Demonstration of the Ontario Plowmen's Association which will be held this time at Brockville for the four days, October 10 to 13 inclusive. Two North of Ireland champion plowmen have entered the lists to challenge the plowmen of North America, and the Ontario Association has made a gallant reply. A team consisting of two Canadian champion plowmen, accompanied by the manager of the Association, J. A. Carroll, will tour England, Ireland and Scotland to compete where possible, particularly at the International match to be held in Ireland about the middle of February.

SUMAS DAIRYMAN
INSTALLS MILKER

Bears Stewart, one of Sumas Prairie's leading dairymen, has installed a single unit, portable milker for use on part of his herd. Mr. Stewart milks about 50 high-producing Holsteins and one man is handling the heifers, 15 in number, with the portable unit and states that the heifers take to it exceedingly well.

POPULAR STOCK FEED

Corn by-products are very numerous, among their specialized uses being the manufacture of starch, glucose, oil (obtained from the germ of the grain) while distillation and the manufacture of alcohol absorbs a considerable quantity. In the United States, 80 per cent of the corn crop is used as feed for live stock.

GREATER EXPORTS OF
MILK CONCENTRATES

In the spring of 1939, the exports of Canadian concentrated milk products advanced to 5,300,000 lb., in comparison with 3,000,000 lb. in the spring of 1938.

MARQUIS WHEAT
LOSES FIRST
PLACE IN WEST

For the first time in about 24 years, Marquis, that fine sterling variety, which for so long has occupied first place in the West, has now been obliged to make way for another variety.

The annual survey made by the Searle Grain Company on the distribution of wheat varieties over the West, reveals that Thatcher is now the dominant variety for the three Western Provinces, having increased from 14.1% in 1938 to 36% in 1939. Marquis comes next, now occupying 32.2% of the wheat acreage as compared with 54.4% in 1938. Red Bobs has advanced to third place, being seeded now on 12.1% of the acreage, as compared with 10% a year ago. Garnet has fallen back to fifth place, now occupying only 4.7% of the acreage, as compared with 8.1% in 1938. Durum, too, has gone down, now occupying 3.2% as compared with 4.5%. Reward also has lost ground. Renown now occupies 5.3% of the acreage and Apex 1.2%, as compared with negligible quantities last year.

Thatcher, it will be remembered had a two years' start over Renown and Apex. Renown, Apex and Regent next year, and in future years, therefore, will no doubt substantially cut down the lead held by Thatcher.

Apple Trees
At Straiton
44 Years Old

An unusually large Yellow Transparent contributed by Mike Stadler of Abbotsford is the second apple to grace THE NEWS window thus early in the 1939 season. The first was brought in nearly a month ago by Mr. Petty of Abbotsford.

It will be recalled that among the outstanding apple exhibits in THE NEWS window last fall were half a dozen Kings, "in size as well as name" grown by Mrs. Thomas Dawson of Straiton. It was mentioned at the time that the trees on which they were grown were believed to be more than 30 years old.

Since then THE NEWS has learned that the trees are actually much older. They were planted by the late A. A. Serl, father of Ira Serl (formerly of Abbotsford and now of Victoria), Vic. and Roy Serl of Huntingdon. They were heeled out in 1895 at Tom Straiton's place and planted in '96 at what is now Mrs. Dawson's farm and was then the Serl homestead. The trees came from Clearbrook, Wn., and as they developed, bore good fruit. Mr. Serl subsequently moved to Sumas Prairie and the homestead was occupied by Mr. Beebe, now of Forks, Wn., who was followed on the property by the Dawsons.

POOR POLICY TO HAVE
HENS RUN LOOSE

It is poor economy to let hens range for themselves. Nutritional authorities of the Dominion Department of Agriculture claim that where hens are not given any cereals or prepared feeds, Grade A eggs can hardly be expected. The difference between the price of Grade A and Grade B and C eggs runs as high as 40 per cent per dozen according to the grade. Recently there was a glut on the market of lower grade eggs, with an increase in the premium for Grade A. More systematic feeding of laying stock at this time of the year will return more money to the producer. The axiom that a product properly produced is already more than half marketed is particularly appropriate in this case.

COOKED POTATOES
ADVISED FOR HOGS;
UNSATISFACTORY RAW

Potatoes fed as part of the ration, but not all of it, make a very satisfactory feed for hogs, provided the potatoes are cooked, farmers are advised. Trials at the Washington Experiment Station show that a ration made up of a grain mixture of three pounds of barley, one-fourth pound Digester tankage, and one-fourth pound alfalfa meal, plus five and one-half pounds of boiled potatoes, produced an average daily gain of 1 pound on 100-pound pigs.

It required 275 pounds of grain, 20 pounds of tankage, and 25 pounds of alfalfa meal, plus 475 pounds of potatoes to produce 100 pounds live weight gain on hogs. Checking this ration with one in which the same grain mixture was fed but no potatoes, showed that it required just a little less than four pounds of potatoes to be equivalent to one pound of grain when fed in connection with a grain ration.

Potatoes are too bulky to feed as the sole feed for hogs. The hogs can not eat enough to get fat.

Trials also show that the feeding of raw potatoes was quite unsatisfactory as the hogs consumed very limited amounts of this feed.

FOX PELT EXPORTS

Shipments of Canadian silver fox furs to the United Kingdom amounted to 153,434 pelts in 1938; 203,233 in 1937, and 193,508 in 1936.

Mt. Lehman

Frank Coghlan Recovers;
Picnic Held in Park
R. Pelon of Squamish returned to his home Tuesday.

F. Drummond and D. Meyer have left for the Prairie.
Miss Laura Doney has returned from summer school at Victoria to spend the remaining holidays with her grandparents, Mr. and Mrs. Pelon.

Mr. and Mrs. Bert Donaldson spent Thursday in Vancouver.

Frank Coghlan returned home last week and has almost recovered from a recent leg operation necessitated by injuries received in a car accident some years ago. Bunt Bloomfield of Rock Bay, brother of Mrs. D. R. Nicholson, is with his family at Shore Acres where he is convalescing from a nose operation.

Mr. and Mrs. D. R. Nicholson and family have returned from Cultus Lake where they spent a two-week holiday.

Master Ian Hayes of Vancouver is the guest of his aunt, Mrs. Angus Ryder.

Mr. and Mrs. A. Keay of Vancouver visited here last week.

C. Israel and Coun. J. Simpson spent Wednesday in Vancouver.

Mr. Sidle is making improvements on his home.

Mr. Redford of Vancouver was a recent guest of Mr. and Mrs. A. Israel.

Miss Coreen MacKinnon is spending some time in Vancouver with Mr. and Mrs. Ted Case, Jr.

A large crowd attended the Jubilee Sunday School picnic held at the Municipal Park on Thursday.

Miss Vermona Farber and Miss Audrey Farber have returned after spending a few months at Matsqui.

The ladies of Dunn Memorial church held their monthly tea on Thursday at the home of Mrs. Angus Ryder. The hostess was assisted by Mrs. Athol Lehman.

Rev. A. G. Gay and Mrs. Gay are spending three weeks at Parksville, V.I.

Miss Nellie Drummond spent Thursday in Vancouver.

Mrs. MacKinnon, Miss Coreen MacKinnon and John Croy attended the Bradner Community picnic at Second Beach, Vancouver, Thursday.

Miss M. Ross of Vancouver is the guest of Mr. and Mrs. L. Coghlan.

Mr. McConnell and Glen motored to Vancouver on Thursday. Glen remained with friends there.

Recent guests of Mr. and Mrs. L. MacKinnon were Dan MacLean and Mr. MacDonald of Vancouver.

Mrs. Sutherland of Kelowna is the guest of her sister-in-law, Mrs. Charlie Coghlan.

Huntingdon

Mr. Dawson and his two sons, Perry and John, have gone to Vancouver for a week.

Guests at the home of Mrs. Tom Lindsay at the weekend were Mr. Moncreiff, Mr. and Mrs. W. H. Stewart and baby daughter of Vancouver.

Joe Foy of Vancouver has been spending a few days with the Carmichael family.

Miss Agnes Fraser of Bellingham is spending two weeks with her parents, Mr. and Mrs. W. J. Fraser.

Mrs. J. E. Dobbie and daughters of Nelson spent a few days with the Frasers last week.

John Fraser returned to Stewart Monday after spending a month's vacation with his mother, Mrs. Jean Fraser.

Mrs. Yarwood and two daughters, Thelma and Helen, are spending a week at White Rock. Mrs. A. Humphreys was a visitor at the home of Mr. and Mrs. W. J. Fraser last week.

Mr. and Mrs. Morey and family spent the weekend at Shore Acres.

Erian Hill of North Vancouver, formerly of Huntingdon) is the guest of Mrs. A. Smyth.

Jack Bates has spent the past week visiting at McLean's.

Mrs. Max Mitzell (nee Violet Finlay) spent a few days with her parents, Mr. and Mrs. A. W. Finlay.

**COMMUNITY SHOWER
HONORS MISS LIND**

Miss Ingeborg Lind, a bride-elect, was guest of honor at a community shower held in Glenmore school Monday afternoon. Pink and white streamers and sweet peas decorated the school. An angel food cake, made by Mrs. J. Westin, centred the table. Mrs. A. Whitson and Mrs. N. Olund poured tea. Miss Lois Arthur and Mrs. Whitson were soloists. The prospective bride received many beautiful and useful gifts.

CARD OF THANKS

We sincerely thank Dr. Cannon
and the hospital staff for their
services rendered to our dear hus-
band and father during his illness.
Also the members of the Canadian
Legion for their kindness during
our recent bereavement. We also
wish to extend our gratitude to
Mr. Henderson, Abbotsford. Mrs.
Locke and family.

CARD OF THANKS

I wish to take this opportunity
to thank our friends for their
many kindnesses, expressions and
tokens of sympathy and particu-
larly the men in the camp for
their efforts to make things as
easy as possible for my beloved
husband.—Mrs. Ernest Lidstrom.

ver is spending part of her holi-
days as the guest of her uncle,
Dave Fraser.

Walter Harvey returned last
week from up the coast.

Miss Freda Carter of Victoria
is visiting her sister, Mrs. Fred
Saunders, during two weeks vaca-
tion from offices of the Provin-
cial Legislature.

Mr. and Mrs. W. J. Phillips are
visiting their son at Quesnel.

Aberdeen

Escapes Injury In
Fall From Hay Load

Mr. and Mrs. Fry and two chil-
dren, who have been staying with
Mrs. Fry's parents, Mrs. Locke,
have returned to Trail.

Mrs. Tones, Aberdeen road
south, had the misfortune to fall
from a load of hay recently. She
was rendered unconscious for a
short time, but later was able to
go to Vancouver with friends.

Guests of Mr. and Mrs. George
Twiss over the weekend were Mr.
and Mrs. Jorgeson and Mrs. Hoff-
steader of Seattle and Eddy Lew
of Ranier.

Miss Gail Gledhill has returned
home after staying with Mr. and
Mrs. P. Swensen for the past two
months.

M. N. Peterson, who has been
ill at home for several days, is
around again.

Miss Ivy Sherritt spent Sunday
at her home here.

Bob Wray and Miss Mercy Grif-
fiths spent the weekend as guests
of Mr. and Mrs. Arthur Gledhill.

Mr. and Mrs. K. Bloomfield and
baby daughter are down from
Rock Bay visiting Mrs. Bloom-
field's parents, Mr. and Mrs.
Henry.

Guests of Mr. and Mrs. T. Lay-
man at the weekend were Mr.
and Mrs. Overand and two daugh-
ters of New Westminster.

Mrs. Hallett and two children
of Vancouver are spending a
couple of weeks with Mrs. J. K.
Gledhill.

Mrs. H. Lundberg has left for
Bonnyville, Alta., to visit her par-
ents.

Mr. Huddleston and Miss Ruth
Huddleston of Victoria have re-
turned home after spending the
past week with Mr. and Mrs.
Jack Smith.

Mrs. Dick Catto and Ronnie
are vacationing at Bowen Island.
The Birthday Club met at the
home of Mrs. Lundberg on Fri-
day for a social afternoon. Prizes
at cards were won by Mrs. Ar-
thur Gledhill and Mrs. Middleton;
consolations by Mrs. Joe Catto
and Mrs. Alfred Gledhill. The
guest of honor was presented
with a pair of hand-embroidered
pillow slips. Tea was served by
Miss Svea Lundberg and Mrs.
Arthur Gledhill.

Mrs. Donnell entertained recent-
ly for her children, Pat, Grace,
Doris and Jerry. Refreshments
were served under the trees. The
invited guests were Fred and
Jack Stacey, Freddy Barker, Ron-
nie Leib, Mildred, Florence, Maisie
and Phyllis Prasloski, Bunny
Scott, Mrs. Smith, Mrs. Joe Satto,
Mrs. Barker and Mrs. Prasloski.

Guests at the home of Mr. and
Mrs. A. E. Gledhill on Sunday
were Mrs. Hamilton, Powell River;
Mr. and Mrs. Willard Ross, Kam-
loops; Mr. and Mrs. Hardie, Mr.
and Mrs. Roylance, Bill Menzies
and Alan Morris of Vancouver.

An enjoyable time was spent re-
cently at the home of Mr. and
Mrs. Joe Catto when their daugh-
ter and son-in-law, Mr. and Mrs.
Jack Groves, entertained at din-
ner on the occasion of their wed-
ding anniversary and the birthday
of Mr. Groves.

Joe Brewster of Auburn was a
recent visitor at the home of Mr.
and Mrs. T. Latman.

Mr. Tebergen, Lehman road, has
his daughter, Mrs. Glaze, a daugh-
ter-in-law, Mrs. Tebergen, and
three grandchildren of Coleman,
Alberta, staying with him.

Lady: "You poor man! Does no-
body offer you work?" "Tramp."
"Yes," lady, now and then. But gen-
erally speaking I meet only with
kindness."

Oswold Minto

There was a large attendance
at the funeral services held from
Henderson's Funeral Home, Ab-
botsford, on Tuesday at 2 p.m.,
for the late Oswald Minto of Mt.
Lehman who died on Saturday. A
native of England, deceased was
in his 46th year and had resided
in Matsqui for the past six years.
He is survived by his wife and
five children. The funeral services
were conducted by the Canadian
Legion and the padre, Rev. F.S.
Henderson, officiated. Interment
was in Hazelwood cemetery.

Matsqui

Miss Vlag to Train;
Beharrells on Long Trip

Sgt. and Mrs. Carl Ledoux and
daughter, Miss Marguerite Ledoux,
of Vancouver, formerly of Mats-
qui, renewed acquaintances here
last week.

Misses Ann Vlag and Evelyn
Beaton returned last week from
a holiday at Barnston Island and
left Saturday for the C.G.I.T. camp
at Ocean Park.

Mrs. F. Machell and family
have returned from a week at
Cultus Lake.

Mrs. F. Beharrell and family
have returned from a holiday at
Cultus Lake.

Mr. and Mrs. O. Sorenson and
Mr. and Mrs. J. Westlin and
daughter are visiting in the U.S.

Mrs. L. Vlag and Mrs. E. Brown
of Barnston Island spent last
week at White Rock.

Miss Langille from the Mar-
times is visiting her sister, Mrs.
C. L. Creelman.

Miss Marjorie Vlag, a senior
matric, graduate of Philip Shef-
field high school, enters training
at the Royal Columbian hospital
at New Westminster, on Sept. 5.

Mr. and Mrs. J. M. Igeland
spent Saturday and Sunday in
Nanaimo.

Mrs. A. Highland of Seattle, Miss
A. Highland and Mr. S. Benson
of Portland visited Mr. and Mrs.
J. Olson from Sunday to Tuesday.

Mr. and Mrs. H. Hagen and
family, Mrs. P. Hendrickson and
Mr. Harry Hansen, all of New
Westminster, visited Mr. and Mrs.
F. B. Hansen on Friday.

Mr. Aksel Ebbeson has returned
from Mission Memorial hospital
where he was treated for a po-
isoned hand.

Mr. and Mrs. W. Guernsey and
Miss Mary Guernsey have returned
from the San Francisco Fair.

Miss Grace Hurum has returned
from summer school in Seattle.

Mr. and Mrs. T. Quayle (nee
Eva Carlson) visited Mrs. E.
Carlson on Friday and Saturday,
and then returned to Mr. Quayle's
home on Vancouver Island.

Mrs. P. Brown and family have
returned to Vancouver after visit-
ing Mrs. E. Carlson for the past
two weeks.

Mr. and Mrs. T. Rottluff and
Mrs. K. Bloomfield spent Satur-
day in Vancouver.

Mrs. M. Witkze, Mr. J. Witkze
and Mr. and Mrs. K. Day and
son, all of Seattle, visited Mr. and
Mrs. D. Utas on Thursday and
Friday. Mr. and Mrs. T. Dawe of
Vancouver also visited on Friday.

Mr. and Mrs. J. W. Beharrell
of Matsqui and Mr. and Mrs. R.
Beharrell of Ladner are motoring
to Nova Scotia on a three-months
trip.

Mr. Harold Bennett of Avon,
Wn., visited Mr. and Mrs. R. S.
Adams recently.

Mrs. C. Erlandson is visiting
her son and daughter-in-law, Mr.
and Mrs. E. Erlandson of Belling-
ham.

Mr. W. Gilberg has returned
from logging at Squamish.

Charming English Cottage Design

First Floor

Second Floor

Small-paned windows, batten shutters, and colorful shingled walls characterize this modern version of the popular old English cottage.

The strap-hinged front door opens into a small vestibule. This compact but carefully planned room boasts two clothes closets, both convenient for coats, sports equipment, games, card tables, etc. A turning stairway leads to the second floor from this room, and directly opposite the front door is a cased opening leading into the living room.

This comfortably planned room is lighted by five windows, and a large open fire place is centred on one long wall. Adequate wall space for all large pieces of furniture is provided.

The dinette is small, but designed to provide a maximum of usable floor and wall space. Two windows and a glazed door lead to a small terrace at the rear of the house, making a pleasant spot for out-of-doors meals during warm weather. Adjoining the dinette is a complete, compact kitchen. The rear entry has doors to the basement, driveway and a closet conveniently placed for cleaning supplies and storage.

Two bedrooms are provided on the second floor, with a bath placed between them. Special care has been taken to provide a maximum of closet space on the second floor; each of the bedrooms has a large closet, plus a built-in linen closet and an extra large closet for storage purposes opening off the hall.

NEW SEWAGE DISPOSAL SYSTEM MUST BE BUILT

Supt. Urquhart reported at the Langley council meeting last week that an inspector from the Provincial Department of Public Health had made an official inspection of the sewage disposal system at Langley Prairie, as a result of complaints being made to that department, and a report is being placed in the hands of Provincial health authorities.

Supt. Urquhart stated that the inspector intimated that the present system of depositing the sewage into the Nicomekl river will have to stop at once, and he suggested that the council obtain information in regard to a filtration plant which has recently been installed at Kelowna. The plant is economical and effective.

The pupil was asked to paraphrase the sentence: "He was bent on seeing her." He wrote: "The sight of her doubled him up."

**THE LIBRARY CORNER**

The following interesting biographies have recently been added to the collection of the Fraser Valley Union Library.

Lanchester, E.

Charles Lanchester and I

A light-hearted narrative of the stage and movie world that combines a biography of the English actor with the autobiography of his actress wife.

Loomis, F. M.

Consultation Room

From his twenty years of medical experience, a woman's doctor who takes a keen interest in the lives and problems of his patients has selected to relate a varied collection of case histories.

Morrow, H.

Demon Daughter

In alternate chapters a married daughter and her mother describe the harrowing details of the upbringing of the daughter, from the age of two to her marriage at twenty-one. The scenes of that difficult feat were New York, Connecticut and England.

Smith, H. H.

Admiral Never Forgets

Naval anecdotes and jocular yarns gathered from 37 years of sea-going experiences form the material of this breezy book by a British admiral who is a natural raconteur.

Van Paassen, P.

Days of Our Years

A foreign correspondent who has been behind the scenes in crucial events writes candidly of machinations in France, Germany, Palestine, Ethiopia, and Spain. He reports sensational news, but not in a sensational manner, and he has pity for the people who are the playthings of international intrigue. His book is not limited to surface impressions; there is thought for the real significance of political movements, and a sad awareness of the unhappy plight of mankind in many parts of the world. Some of his accounts may be questioned.

OLD AGE IS TIME TO TRAVEL STATES, OKLAHOMA VISITOR

Old age is a grand time to travel and see the sights in the opinion of A. MacArthur of Oklahoma City, Okla., who is in Pueblo for a visit of several days with his nephew, Louis Behm.

MacArthur is 84 years old. He is on a vacation trip which began July 1. Since leaving home he has travelled by bus to San Diego, Los Angeles, Pasadena, Calif., Portland, Ore., Bellingham, Wash., and Vancouver, B.C., visiting relatives. He is a great grandfather and has decided to spend as many of his remaining years in travel as possible, for he admits "you can't take it with you."

—Pueblo Star-Journal.

Puns . . .

Salesman: "Boy, I would like to see someone with a little authority." Office Boy: "What can I do for you? I have about as little as anybody."

A woman should always hold on to her youth, but not when he is driving.

Mrs. Flanagan: Sure an' I just got a letter from Barney, saying he would be let out of jail tomorrow. He got a month off for good behavior." Mrs. Murphy: "A month off fer good behavior, is it? Faith, an' that's a lad to be proud of."

"How does it feel to be marrying an heiress?" "Great! Every time I kiss her I feel as if I were clipping the coupons off a government bond."

Chilliwack ratepayers will go to the polls on Aug. 31 to vote on a \$75,000 money bylaw for construction of a \$100,000 hospital building.

Big Gain In Livestock At Exhibition

(Continued from Page Two)

reports, while a noteworthy entry is a group of Tamworths from Manitoba.

Sheep entries this year will show an increase, with total entries at 396. Three B.C. breeders will exhibit Kerry Hills, a domestic sheep recently imported from England. Goat entries also show a marked increase over previous years.

In the boys and girls section, a total of 128 head will be exhibited—an increase of more than 50 per cent over 1938. Largely drawn from the 56 flourishing junior calf and swine clubs in the province, the young exhibitors will show their own entries, and will make up one of the most attractive and

SOCIAL CLUB MEETS

Mrs. F. Corbett and Mrs. L. Lamson entertained jointly 18 members of the Sumas District Social Club at Mrs. Corbett's home on Thursday afternoon. Mrs. J. Watson was in the chair. After a contest in which members were called upon to display their skill in acrobatic stunts, variety races and songs with variations, prizes went to Mrs. T. DeLair, Mrs. Sam Austin and Mrs. W. Buchanan. A tasty lunch was served under the shady trees.

THICK JAM

Contributed by Mrs. B. Mills Matsqui

6 cups raspberries (crushed)
6 cups sugar. Boil 10 minutes, skim.

Add 1 heaping teaspoon Epsom salts. Boil 5 minutes, take off stove. Cool slightly, fill jars.

This makes a lovely jelly jam. The salts will set the jam just as well as any commercial pectin product. Any fruit will jelly with the salts.

refreshing features offered at the big Vancouver fair.

A comparison of entries in all classes of the livestock section shows a marked gain in all but horses. Totals are shown below:

Horses, 141; Cattle, 515; Sheep, 396; Swine, 290; Goats, 157; Boys and Girls, 128.

TRY MY RECIPE FOR WHITE BREAD

(Straight Dough or 4 1/2 hour Method)

2 compressed 4 Loaves
yeast cakes (About) 12 cups sifted

4 cups water Purity Flour

3 tablespoons 2 tablespoons

white sugar shortening (melted)

METHOD—Dissolve yeast in 1/2

cup lukewarm water. In the remain-

ing liquid (which should not be

above 100 degrees F.) dissolve the

sugar and salt; then add yeast. Mix

in sufficient flour to make a soft

batter, add shortening and beat well.

Stir in sufficient flour to produce a

dough soft enough to handle con-

veniently, but not sticky. Turn out

on floured board and knead until

soft and elastic. Place in a greased

bowl, cover and let rise until it is

double the original bulk; then punch

down. Let rise again and, after

punching down once more, divide

into pieces which will half-fill baking

pans. Bake in hot oven of 400 to

425 degrees for 35 to 60 minutes

depending on size of loaves.

THE MODERN HOME-MAKER

By ADIEE M. LEWIS

SUCCESSFUL CHILD TRAINING

Successful child training is really parent training, or a course in self-discipline. Ask any conscientious parent if this is not true. The reason one sees so many poorly trained children is due to the fact that many parents lack the strength of purpose and the will power to carry out a sensible program of child training.

In recent years, much has been written about allowing the child to develop its own personality. This has been carried to extremes in some cases until an unbearable little brat with no consideration for others has been the result. On the other hand, the child who has been too restricted may be repressed and develop an inferiority complex. The wise parent chooses a happy medium and tries to teach the child consideration for others and to have a sense of responsibility, while giving him an opportunity to develop his own personality.

CHARACTER TRAINING

Good character training for children is best taught by example. Here are a few simple rules for successful child training.

Be what you want your child to be.

Expect that he will do the right thing, and give him credit for it when he does.

Always keep your promises to him.

Do not show fear in his presence or suggest fears to him.

Never lose temper when correcting him.

Do not baby him.

Teach him to do things for himself, to be self-reliant and grad-

ually more independent of his parents.

Recognize his wants but do not give him everything he demands.

Respect him, his plans, his opinions. Remember that he is a person with real interests of his own.

"BE A GOOD EGG"

"Be a Good Egg" and give your family more eggs for the summer meals. Cooked with a minimum of heat and easily prepared, eggs are most adaptable to summer cookery.

There is an oft repeated story about the bride who couldn't even boil an egg, or was it water? Any way, there is a right way to cook eggs, which insures that they will be as you want them instead of as they just happen to turn out.

EGGS IN THE SHELL

When cooking eggs in the shell place the eggs in a sauce pan, cover with cold water, bring gradually to the boiling point, over moderate heat.

For soft-cooked eggs, remove the eggs from the water when it reaches the boiling point.

For medium cooked eggs, allow the eggs to boil 1 minute before removing.

For hard-cooked eggs, allow the eggs to boil 5 to 7 minutes and remove at once to cold water when done. This facilitates removal of the shell.

SCRAMBLED EGGS

Scrambled eggs are a favorite of many. They are good for breakfast, lunch or supper, and may be served with many variations.

For Scrambled Eggs to serve 6 use:

9 eggs
1/4 tsp. salt
1/4 tsp. pepper
1 c. milk
3 tbsps. melted butter, or salad oil

Beat eggs thoroughly, add seasoning and milk and beat again. Have skillet heated, but not too hot. Put fat into it and pour in eggs. Cook over low heat until creamy, stirring from sides and

Chase anxiety -- call by "long distance"

Absence from home brings anxious moments—times when you wonder how the folks at home are getting along. Don't worry. Call home by long-distance telephone.

Your mind will be promptly eased by the word that "everyone at home is fine", and the pleasure of hearing the voices of distant dear ones will add to the joys of your trip.

Garbage Removal By-Law

Extracts from:—
The Corporation of the Village of Abbotsford, B.C.

BY-LAW NO. 67

A By-law to provide for the disposition and removal of trade waste, house garbage, rubbish and all noxious, offensive and unwholesome matter by the owners and occupiers of premises within the Village of Abbotsford.

Every person being the owner or occupier of a dwelling or business premises in the Village shall provide and maintain in good, sufficient order and repair a metal or wooden receptacle or receptacles, each with holding capacity of not more than 100 pounds and provided with a good, sufficient and water-tight cover, sufficient in number to contain all garbage from such dwelling and business premises and such receptacles shall at all times be kept by such person for garbage and nothing else.

Every person owning or occupying a dwelling shall remove or cause to be removed at least once every fourteen days all garbage accumulated in receptacle or receptacles on such premises and brought to the Municipal Garbage Dump.

Every person owning or occupying business premises shall remove or cause to be removed at least once every week all garbage accumulated in the receptacle or receptacles on such premises and brought to the Municipal Garbage Dump.

In the event of any person owning or occupying any dwelling in the Village failing to remove garbage from such premises as hereinbefore provided, the Village may and it shall be lawful for it to remove such garbage from such premises; and for each removal of garbage by the Village from such dwelling a charge of 25c shall be paid to the Village by the person occupying or owning said dwelling which charge of 25c may be collected in any court of competent jurisdiction, but failure to pay same on the part of such occupier or owner shall nevertheless be deemed an infraction of this by-law.

In the event of any person owning or occupying business premises in the Village failing to remove garbage from such business premises owned or occupied by such person as hereinbefore provided, the Village may and it shall be lawful for it to remove such garbage from such business premises; and for each removal of garbage by the Village from any such business premises a charge of 25c for the first receptacle and 10c for each additional receptacle shall be paid to the Village by the person occupying or owning said business premises which charge or charges may be collected in any court of competent jurisdiction but failure to pay same on the part of such occupier or owner shall nevertheless be deemed an infraction of this By-law.

Every person owning or occupying a dwelling or business premises in the Village shall permit and allow any employee of the Village appointed for that purpose to have access to and to empty garbage receptacles on such premises if necessary as hereinbefore provided.

All persons occupying or owning dwelling or business premises in the Village shall comply in all respects with the provisions of this By-law and any person who fails to comply in any respect with the provisions of this By-law or any of them shall be guilty of an infraction of this By-law and subject to the penalties thereof.

A true copy of By-law No. 67 was received and filed in the office of the Inspector of Municipalities on the 15th day of August, 1939.

bottom of the skillet. Remove to a warm platter before they are quite done. The heat in the eggs will complete the cooking.

To dress up scrambled eggs, add diced fresh tomatoes, sautéed mushrooms, fresh cooked or canned shrimps, sausage or dried beef, or bits of cooked bacon. Sautéed chicken livers make a dish de luxe. Little cubes of American cheese may also be added. Add a simple salad and sliced peaches for dessert and you will have a meal fit for a king.

Where Summer Dollars Buy More Value

Abbotsford recognize that housewives shop where they days they are reading the advertisements in The News time and money—they quickly learn from The News know merchants who advertise in newspapers get more business and consequently can sell more cheaply.

Summer months are busy months, what with harvesting one crop after another and all the usual chores to do as well. Consequently the news columns in The News may be overlooked or only hurriedly scanned. Some columns, however, are given their customary thorough inspection. These are the store news columns—the invitations to shop in stores that are on their toes to give the best value, best quality and service at the most competitive price. Housewives do not miss these columns in The News because they know that in them will be found an important story—"Where Summer Dollars Buy More Value". Leading merchants, businessmen and businesswomen of Abbotsford are invited to shop and that particularly in these busy because the "invitation" to shop also saves them where to go or phone for what they want. They also know merchants who advertise in newspapers get more business and consequently can sell more cheaply.

CREAMED FISH

Cover fish with water, bring to boiling point and simmer for a few minutes until fish is cooked—use top of stove or oven. Drain fish, place on hot platter with small pieces of butter on top. Return to oven to heat. Just before serving add 1/2 cup cream or whole milk heated. Do not let fish remain too long or cream may curdle. Garnish with parsley.

She has solved the daily problem... because FISH offers a welcome and wholesome change at mealtimes, something the whole family will like. There are over 60 different kinds of Canadian Food Fish and Shellfish from which you can choose, either fresh, frozen, smoked, dried, canned or pickled. All of them can be served in an infinite variety of recipes. And... one of the good things about FISH is that it is nourishing, and so easy to prepare! Serve Fish to your family often.

order. This order, however, will

not affect tourist travel.

Swim Meet,
Hoop Club on
AAA Program

The Athletic Association meeting Thursday night discussed staging a swim meet, if necessary permission is obtainable, in the pool at Jubilee Park. Various races, diving and water sports events were proposed with awards in form of ribbons. It was tentatively planned to arrange a silver collection gate and donate proceeds to the M.S.A. Hospital. T. Ruben and Fred Sterling were named to make preliminary arrangements.

It was decided to secure the Whatcom Road hall for a dance on American Thanksgiving Day.

Thanks to the True Blue Lodge was voiced for its co-operation in the joint dance staged recently.

Time of life saving classes being held under A.A.A. auspices by T. Ruben, P.R.C. instructor, was changed to 6 to 7 p.m., twice a week. Bob Cluney or Mr. Ruben will provide details to persons interested.

Mr. T. W. Hall, director of education has granted the association use of the P.S.H.S. Auditorium one night a week for official basketball games this fall.

A special meeting of the A.A.A. will be held on Monday, Aug. 28, at 8 p.m., in the public school.

TENNIS

(Continued From Front Page)

are surrounded by a 10-foot wire netting fence supported on iron standards set in concrete bases. More than 1600 feet of five-foot fencing was strung around the four courts and between each pair of courts. Approximate cost of the courts exceeds \$2000 and is nearer \$2500 if the volunteer labor is included. Visiting players Wednesday stated the courts were the equal of the best in British Columbia and offered a wonderful opportunity for district players.

PRACTICE FOR TOURNAMENT

All four courts are in first class condition for playing, states Mrs. Trethewey, who particularly asks members to get in all the practice they can preparatory to the Fraser Valley Tournament which is set for Labor Day weekend. Tournament play will begin at 10 a.m. on Sept. 3 and continue until Monday evening, with finals being played about 5:30 p.m. Monday.

CHALLENGE CUPS

There are challenge cups for each event: Ladies singles and doubles, men's singles and doubles and mixed doubles. There will also be two junior events: Girls singles under 16 (as at January 1, 1939), and boys singles under 16 (as at January 1, 1939). If there is enough demand among the Juniors for doubles and time permits doubles will also be played.

WOULD PLAY HERE

Dunbar Tennis Club of Vancouver have written asking for a match on our courts against us. The Juniors have made a start and already some clever play is showing up.

Sumas District

Miss Betty Beach and Donald Smith of New Westminster are vacationing at the Ross Smith home.

Mr. W. Nelles, who has been attending summer school at Victoria, is home for the rest of the holidays, after which he will return to the Burns Lake district to teach.

Mr. and Mrs. Stevens of Grass Valley, Calif., spent a few days with Mr. and Mrs. F. Alsh.

Miss Margaret Baynes is having a week's holiday in Vancouver.

Miss Marie Tessaro has left for a two-week holiday in Vancouver and New Westminster.

Miss T. Bourgon, who is teaching at Burns Lake, spent a week-end with Mrs. Wakefield.

Ira Mitchell has purchased a new threshing machine.

Mr. Phillips and Mr. Miller of the B.C. Evangelical Mission conducted services at the Whatcom road Mission on Sunday. Mrs. Suderby of Vancouver was the soloist.

Neil, Howard and Donald Smith are camping at Vedder Mountain for a few days.

Sunday visitors with Mr. and Mrs. C. Baynes were Mrs. W. Smith of Red Deer, Alta., and Mrs. M. Mittel (nee Violet Finlay) of Harrison.

Weekend guests of Mr. and Mrs. Porter, Sr., were Mr. and Mrs. Leslie of Seattle, Mr. and Mrs. Meedor and family and Mr. Meedor, Sr., of Bellingham.

Mr. and Mrs. H. Day have gone on a motor trip to California, and will visit San Francisco's fair. In their absence Mrs. J. Peterson (nee Gladys Day) of Britannia, who is home on a visit, is looking after the home interests.

Behind
the
8-BALL

by Bill Hambly

SOFTBALL SIFTINGS...

• "Chuck" Christie, tutor of the high school team in the town league, disputes the Andrews possession of the league championship. High school defaulted once to the Abbotsford Motors in the semi-finals, and the Motors once to the high school. Abbs. Motors then entered and lost the finals to Andrews. Mr. Christie thinks, and rightfully to our mind, the third game of the semi-finals should be played before deciding who should meet Andrews for the finals.

• Bob's Quick Lunch, for 25c a head, will serve a chicken banquet to the Abbs-Reps in the Legion meeting rooms. The date of the dinner will probably be Friday.

• Latest from Vancouver is that Hammond Furniture has been handed the cup for the Industrial League. Abbs-Reps were winners of the open section of the league and Hammonds the closed section. Hammonds defeated A-R's in the Provincial playoffs, but still should have met Abbotsford to complete league circles. The reason for handing away the cup was given as "to save Abbotsford the expense of travelling into Vancouver". Looks like there will have to be a Fraser Valley league formed next year, after the rotten breaks handed out from town.

• Thursday night the Abbs-Reps meet Chilliwack at Chilliwack in a return exhibition game.

• Sunday at Jubilee Park A-R's play Roberson Hackett.

• Sunday week they entertain a Kiwanis team from Vancouver.

SWIM SWILL...

• Classes for life saving have been extended and women will now be given separate instruction, according to Tommy Ruben, instructor. Maybe it's best, but think how many more men would join if they had some beautiful bit of femininity to practice on—and how many more women would join to be "saved".

• Nobody yet but Bob Cluney has broken Bob Cluney's record of 15 minutes for the course around the inside of Mill Lake. Bob set a new and tougher time of 13 minutes, station BQL announces.

TENNIS TURNS...

• Mrs. Trethewey gave us a tip as to who look like tennis players on the new courts. Among the juniors she has noticed Janet Golos, Ivan Golos, Kay Webster, Alfred Schmidt and John Irvine. Seniors include Joan Saunders, Mr. Lindsay, Geo. Hayes, Tom Harris, Ralph Bawtenheimer, and "Chuck" Christie.

• Membership of the club has been estimated at 70 and the courts are busy from 6:30 a.m. (crazy people) till 7:30 p.m.

• There have been some Washington friends playing and considering membership.

• "The Dunking of the Vicar", starring Rev. Frank Henderson and "Tony Tennisball", was a one-act farce presented at the opening of the courts Wednesday. The thrilling plot of the story reached a climax when "Tony" zoomed across the net and dunked the Vicar in a cup of tea he was holding. A repeat performance will not be staged—hopes the Vicar.

REDDEST NECK OF THE WEEK...

• The one on Paul Cass' shoulders when he made a beautiful save in the boxla game at Websters Corners last week—and then dumped it over the goalies' shoulder to score one against his own team.

ANDREWS COP LEAGUE HONORS FROM V-8's

Andrews ball team wound up a very successful season last Thursday, defeating Abbotsford Motors in the final game of the local playoffs. The "Ups", having lost only two games in the current season, were favored to cop the series, and demonstrated the superiority by whipping the V-8 boys 10-3. Pitcher Macbeth, a little shaky in the opening frame, soon settled down to hurl steady ball, and received plenty of support from his infield and outfield. The grocers strongest department, however, was their batting. Any team that can collect 10 runs off Frank Forrest in six innings has to have on its hitting pants. Billy Waterston and Bill Hambly contributed a few lusty wallops to send the Andrews boys galloping across the home plate standing up. By their victory over the Motors squad, the "Ups" gained the right to play Chilliwack for the Fraser Valley championship, and it is hoped the game will be
